

Jézus

Isten

Fia,

aki kisbabaként született a földre.

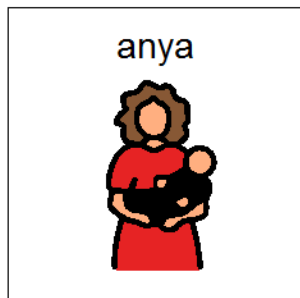

csecsemő

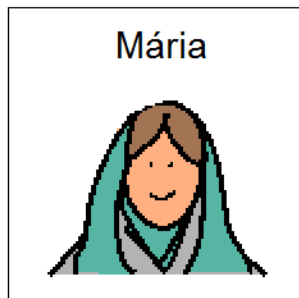

földteke

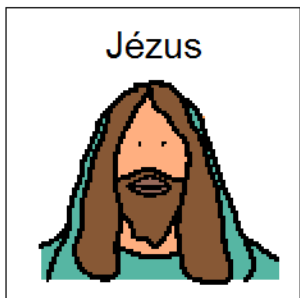

Édesanyját

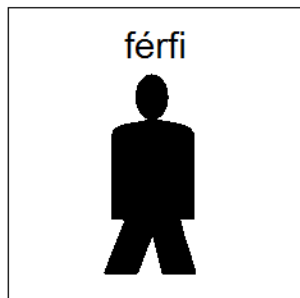

Máriának hívták.

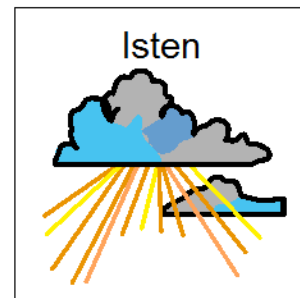

Amikor Jézus

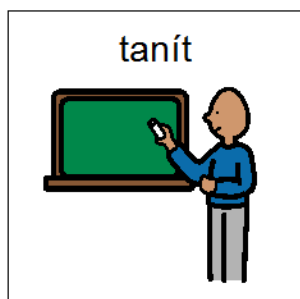

felnőtt,

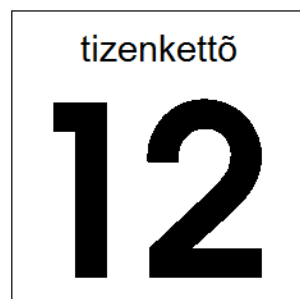

Istenről

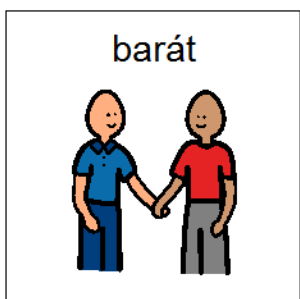

tanított.

Tizenkét

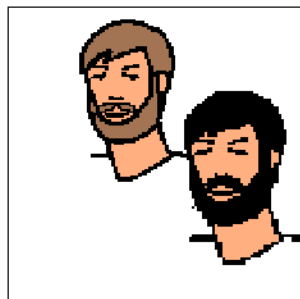

barátjával

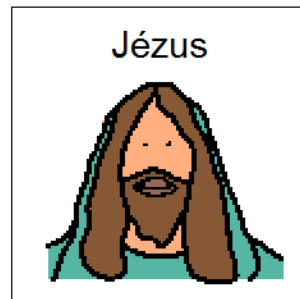

járta a városokat.

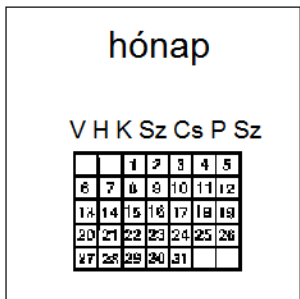

Őket hívjuk tanítványoknak.

Jézusnak

ma is vannak

tanítványai, akik figyelnek rá.
